

Inclusion and Additional Needs Policy

It is the fundamental aim of Yellow Birds OfSC is to provide a quality childcare service for children between the aged 4-11 years that are in our care.

We aim to encourage all children to 'Make a positive contribution' to the setting supporting participation and reducing exclusion from play programmes thus including all cultures and all needs in terms of curricular and extra curricular activities.

We will ensure that provisions are put in place to provide quality care for each individual following the information given on their enrolment forms.

- Respect all individuals as equally
- Values everyone's differences
- Attend to the needs of each person
- Promote accessibility.

In ensure the service is inclusive to all Yellow Birds 'Extended Schools' Provision: Yellow Birds OfSC will follow the relevant laws and guidelines as follows:

- DfEE Circular 10/99 Social Inclusion: Pupil Support
- DfEE Action programme for SEN 1998b
- Special Educational Needs and Disability Act 2001
- The DfES SEN Code of Practice 2001,

Policy will be reviewed and developed according to the needs of the children attending our setting
